Marking Scheme

	Max.	Points	Comment
Descriptive statistics	10		
Description of variables			
Presentation/Description			
Model Selection/Model Fit	25		
Justification			
- Chosen Model(s)			
- Selection of covariates			
Description			
- statistical significance			
Presentation			
- Table coef, se, loglik, N			
Model Fit			
Quantities of interest	25		
Some quantities of interest			
Sensible scenarios			
Substantial magnitude of findings			
Description			
Presentation			
Robustness	10		
Discussion of Robustness			
Robustness			
Conclusion	5		
Argument			
Limitations, further research			
R-Code	10		
Well-documented			
Runs Smoothly			
Overall Impression	15		
Presentation, Language, Coherence, Creativity			
Total
